UNDERSTANDING YOUR OPTIONS TO JOIN THE MEETING

After you register for the Annual Meeting, you will receive a registration confirmation email.* This email will provide you with two options to join the Annual Meeting – joining virtually through a device or joining by dial in option.

Joining Virtually: Joining the Annual Meeting virtually allows you to hear the Annual Meeting audio, as well as see the Annual Meeting display.

Joining by Dial In: Joining the Annual Meeting by Dial In allows you to hear the Annual Meeting audio. If you plan to attend the Annual Meeting using only the dial in option, you will not be able to view the Annual Meeting display.

If you choose, you are able to utilize both options to join the Annual Meeting – joining virtually in order to be able to see the Annual Meeting display but using the dial in option to hear Annual Meeting audio. Whether you choose to attend the Annual Meeting by computer, tablet, or phone (landline or cellphone) you may be asked for additional meeting details, including meeting ID and password, in order to join the Annual Meeting.

*Please note, your registration confirmation email will not come immediately after you submit your Annual Meeting registration as all registrations are reviewed by Family First Credit Union before registration confirmations are sent to members.
